DEDICATION

The class of 1983 would like to acknowledge a good friend, whose services to the school have more than exceeded the call of duty. You have placed the rights of the students foremost in your work.

As we look back at our high school career, you will undoubtedly be in our fondest memories. We dedicate our yearbook to you, Miss G., with best wishes for a happy retirement.

A JOURNEY OF A THOUSAND SMILES

Well, this is the end of a perfect

day,

Near the end of a journey, too;

But it leaves a thought that is big

and strong,

With a wish that is kind and true.

For mem'ry has painted this perfect

day

With colors that never fade,

And we will find at the end of a perfect

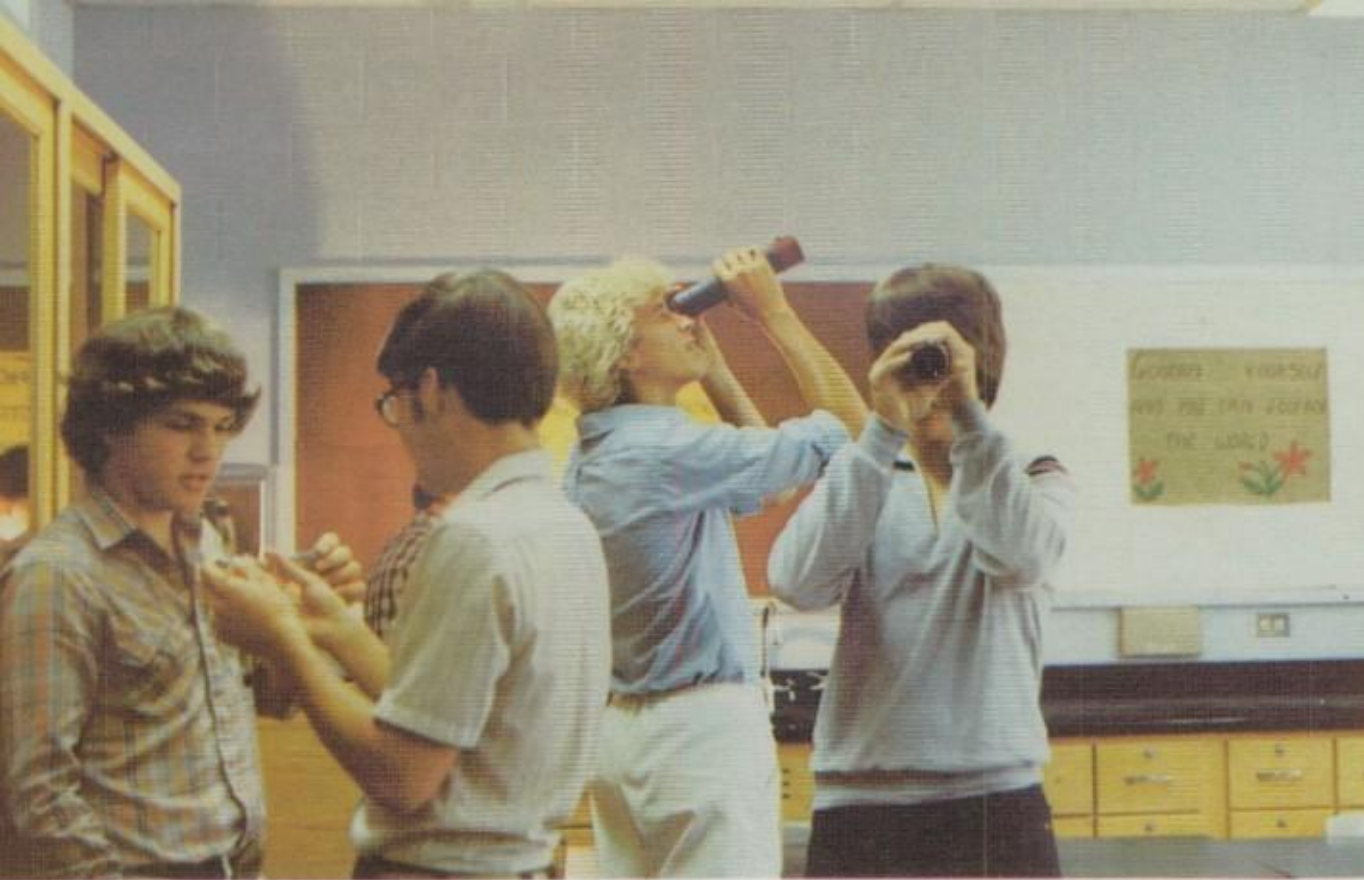

day,

The soul of a friend we've made.

-Carrie Jacobs Bond

YEARBOOK V.I.P.'S

EDITOR: Linda Heiser

BUSINESS MANAGER: Terry Jenks

Last fall when I was told I would be editor of this yearbook I was scared but also excited. I had been on the staff for two years and thought I had learned enough from the mistakes of my predecessors to beat the system with no problems. Unfortunatley, that was much easier said than done. As each deadline approached we were faced with different problems, but somehow this small group of people pulled off what at times seemed impossible. Everyone involved deserves a lot of credit for a super job.

I know that there were times when I yelled and screamed like crazy and was simply impossible to be around. I would like to thank the entire staff, especially Dave, and all my friends for not hating me, though I couldn't blame you if you did. David, even though you're not on the staff I took a lot out on you. Your patience and understanding has been incredible and helped me out enormously.

A few people deserve more credit than a simple picture gives them. Betsy and Chrissy, you met your deadlines with no problems and yours was the section I never worried about. Terri, you handled the financial end of things with ease and your willingness to help out with other aspects of the publication was much appreciated.

Two more people deserve special thanks. First, Roger Potter who spent many evenings and Saturdays in the darkroom helping his dad produce the pictures we needed. And finally, I'd like to thank Mr. Neil Potter. Aside from your countless hours behind the camera and in the darkroom, without you this book would never have made it to the presses. I can recall yelling at you many times, but you stayed calm, understood, and always had a solution to the seemingly endless problems. I must have interrupted your classes a thousand times in the past two years, and though I know your students didn't mind, I'm sure you did, yet you never once yelled. You always pulled things together and got me going again when I thought everything was hopeless. You and this yearbook have taught me more than any other experience or class could. I'll never forget your or all I've learned from you.

Thanks again, everybody-

Linda.

With Flo Scott as the back bone of all we do, the junior class has been very active and effective this year. Our class float won second on Booster Day and Sue Griswold was voted as Junior Court to the Booster Day Queen. Our major fund raiser so far this year has been our selling of cheese. This was a big help to our treasury! We are planning to have a dance around Valentine's Day, and we hope it's a big success. A Walk-A-Thon in the memory of Tommy Copley is planned for the spring.

The sophomore class has Nate Breuer as our advisor for the first time. Laurel Clark represented us as Sophomore Court on Booster Day. She was escorted by Brian Aubrey at the Pep Rally and Bob Davidson at the football game.

Our float won first prize on Booster Day. The slogan was "Turners Go Home". We have re-opened the school store as "The Mohawk Merchantile". We are planning to have the "Sophomore Auction" as our major fund raiser.

1988

The Class of '88 decided that they wanted to be known as the class with the most spirit. They didn't waste time. A car wash in September raised enough money for their first Booster Day float. With the theme "Celebrate! Today's the day, Turners Falls", they received Honorable Mention for their fine effort. The Class of '88 is working at raising money in hopes of having a great Senior year and graduation. They will celebrate their efforts by sponsoring a dance in early spring.

Oh my goodness G-men!

DO YOU REMEMBER?

In September 1977 we entered Mohawk as 144 untamed brats. Kathy Murdock undertook that job as our advisor. We soon elected class officers: President Glenn Boyd, Vice President Stephen Rice, Secretary Teresa Hanks, and Treasurer Robin Avery. Our Booster Day float with the slogan "We'll make Marharmalade out of Orange" placed first and began the tradition of placing our float every year. We also won the Booster Day spirit stick. We spent the rest of the year proving that the Reading/English/Study "blocks" were an incredible mistake.

Kathy Murdock stayed with us in eighth grade with our President being Tim Kelleher, Vice President Sue Dobosz, Secretary Andrea Cranson and treasurer Shannon Wissman. Once again we won the Booster Day spirit stick and our float with the slogan "We'll scrub those Panthers to the end" placed second. David Rancourt won the outstanding eighth grade athlete award.

In our first year as a member of the high school community Kathy Murdock was still our advisor, this year the officers were President Sue Dobosz, Vice President Glenn Boyd, Secretary Terri Jenks, Treasurer Anne Nolan. Robin Avery represented us as freshman court. She was escorted by Tim Kelleher at the pep rally and Lou Massa at the game. Our float with the slogan "The Yolk's on you Turners" got us a first place. As usual we won the Booster Day spirit stick.

In tenth grade Dennis Bushey took over as advisor and Eric Sumner started his reign as our president with Teresa Hanks assisting. Andrea Cranson was secretary and Dave Purington was treasurer. Anne Nolan represented us as sophomore court. She was escorted by Eric Patnaude at the pep rally and Eric Sumner at the game. Our float with the slogan "Turners Strikes Back But the Force is With Mohawk" brought us a second place. The class of 1981 asked Stephen Rice, Linda Heiser, Lou Massa, Teresa Hanks, Tim Kelleher, and Andrea Cranson to be ushers at their prom at the Sweetheart. Glenn Boyd was Student Government treasurer. David Washer was named the Varsity soccer team's Most Valuable Player. Chris Kinsman was the male lead in the All-School Musical "Guys and Dolls." Another highlight was a dance following a basketball game, featuring Sound Sensatins, which brought in a total net profit of \$2.99.

As usual Scott Mitchell represented Mohawk at the National X-Country Meet.

Dennis Bushey continued as our advisor for our junior year. Eric remained as president, Kara Howes was Vice President, Terri returned as secretary, and Betsy Roberts was treasurer. Vicki Griswold was our representative to the Queen's court. She was escorted by Tom Poissant at the pep rally and Dave Purington at the game. Our float received third with the slogan "Mohawk's G'Autumn but it's Athol's Fall." We lost many people to private schools due to proposition 2½. Mary Nussbaum was Student Government Secretary. Steve Rice was the male lead in the All-School Musical "Oklahoma." Teresa Hanks went to Girls State and David Washer went to Boys State. We held the annual post awards night reception for the seniors in our court yard and it went over very well. Being our president Eric was the Marshall at graduation. Graduation Hoop Holders were Stephen Rice, Sue Dobosz, Dave Purington, Mary Nussbaum, Dave Rancourt, Karla Porrovecchio. David Washer, and Deirdre Doyle.

Dennis Bushey remained as our advisor for our senior year, Eric, Terri, and Betsy kept their respective offices and Robin Avery took over as vice-president.

Our Queen, crowned by Lori Stacy, was Robin Avery. She was escorted by Tim Kelleher and Tom Poissant at the Pep rally and Lou Massa and Kurt Benson at the game. Once again we won the Booster Day spirit stick and our float with the slogan "We've Got Sac-Pac Fever" got us another third. The annual "Victory Dance" featured Arabus and went very well, we made a profit of \$700 even though we did lose the game.

Deirdre Doyle ran at the National X-Country championships for the second year in a row.

The senior Play "You Can't Take It With You" was a huge success; it was fun for all involved and brought in about \$400.

Student Government officers are President Dave Purington, Vice President Stephen Rice, Secretary Sue Dobosz, Treasurer Kara Howes.

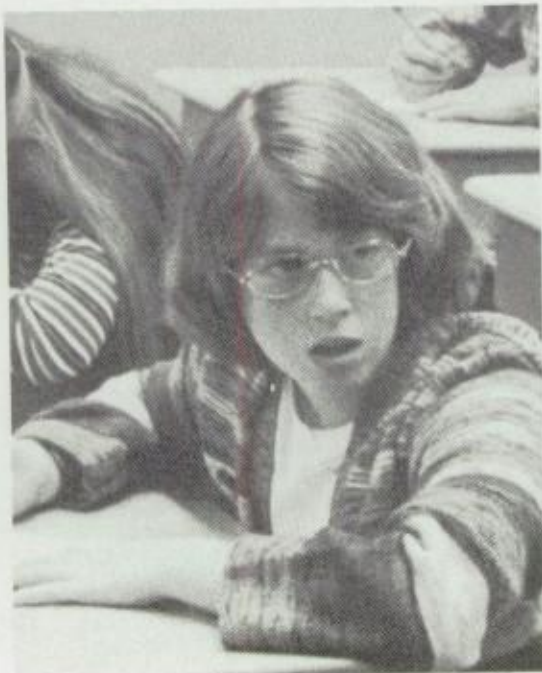

Out of the seven major roles in the All-School Musical "South Pacific" five of them are seniors: Eric Sumner, Betsy Roberts, Stephen Rice, David Washer, and Karla Porrovecchio.

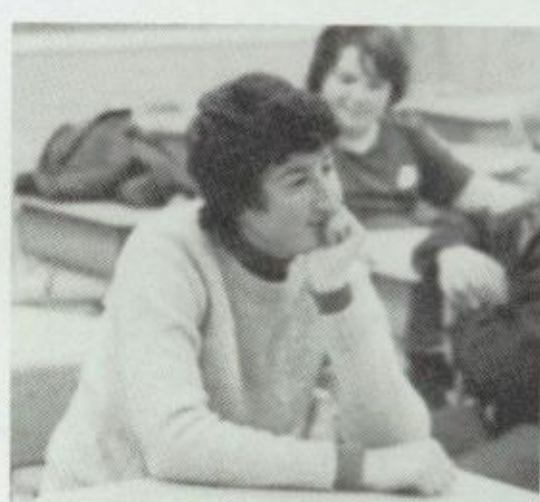

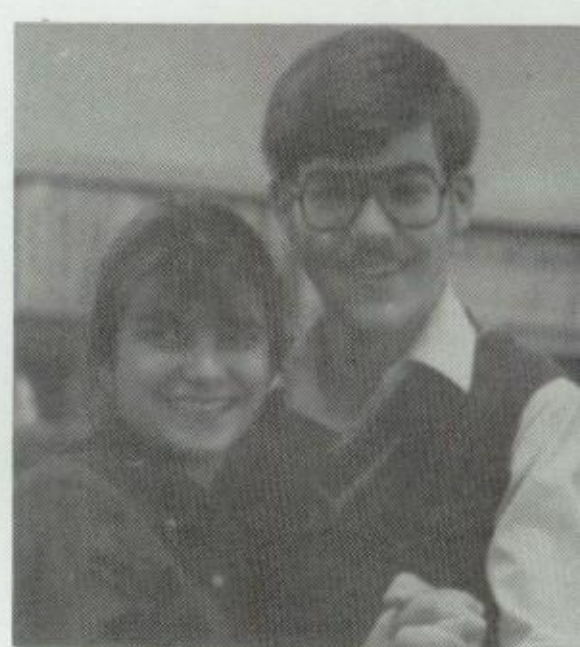

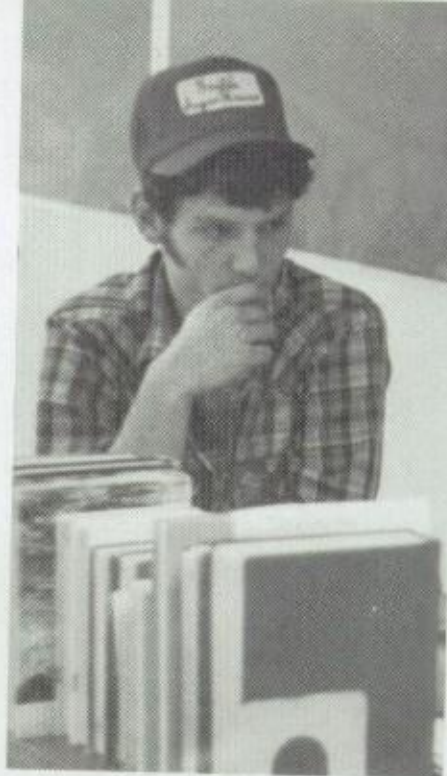

The Prom is planned for late May and graduation for June 5th. Those as well as the senior traditionals: class banquet, awards night, field day, and the post-graduation class party are what we are looking forward to at the time of this writing.

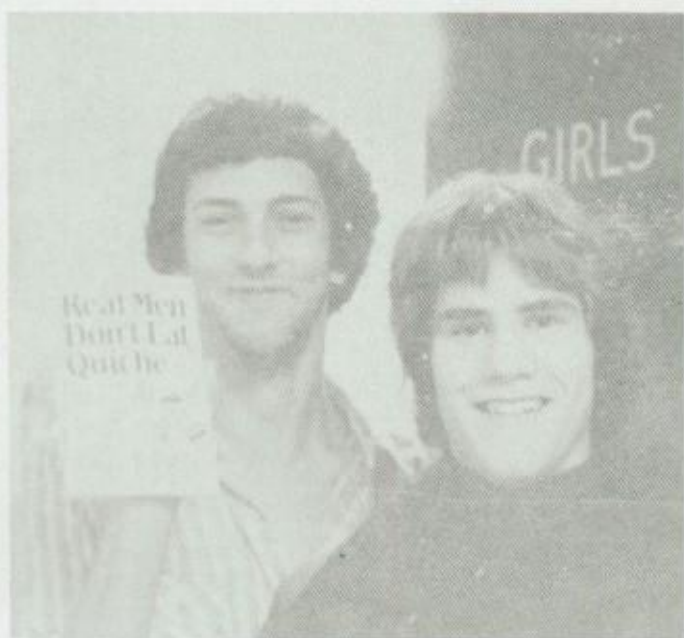

As we leave Mohawk, the smallest class ever to graduate, we leave fond memories and good friends. Best Wishes to All
